## Share Your Story!

If you wish to share announcements on forest **publications or upcoming events** through the **Forest Information Billboard**, please use our attached **template and send it to [billboard.eceforests@un.org](mailto:billboard.eceforests@un.org)**. The contributions are accepted throughout a year (**next issue is in May**) and published on the first-come first-served basis. Please note that only edited announcements can be published. Editing remains the responsibility of the contributors. The Secretariat reserves the right to decide which contribution can be published. The last **Forest Billboard Edition** (March 2026) is available [here](#).
